

Minnetonka Beach resident organics recycling drop-off

More than one-third of our trash is organic materials that can be composted. Bringing your organics recycling to a drop-off is an effective way to reduce your trash and make a difference.

Start participating now!

You can sign up to participate at any time. The Minnetonka Beach organics recycling drop-off site is located at the Public Works Facility at 2510 Woodbridge Rd. (under the water tower).

Contact City Hall at info@ci.minnetonka-beach.mn.us or 952-471-8878 to get the keypad combination to use the container.

How organics recycling works

1.

Sort it.

Collect organics in certified compostable bags in an ice cream pail, coffee can, yogurt tub, or other collection container.

2.

Store it.

Put your bags of organics in the collection container you will use to bring to the drop-off. A medium-sized bucket or pail works well.

3.

Drop it.

Bring your organics to the drop-off site at the Public Works Facility (under the water tower) when it's convenient for you. Try to visit the drop-off site once a week.

What to put in the organics

All food

Food-soiled paper

- Napkins and paper towels
- Pizza boxes from delivery
- Paper egg cartons

Certified compostable products

Look for the term "compostable" or the BPI logo on certified products.

Other compostable household items

- Coffee grounds and filters
- Houseplants and flowers
- Wooden items such as toothpicks

Not accepted:

- Pet waste
- Yard waste
- Diapers
- Cleaning wipes
- Grease or oil
- Dryer lint and dryer sheets
