
CITY OF THE VILLAGE OF MINNETONKA BEACH MEMORANDUM

TO: CITY COUNCIL
FROM: HEIDI HONEY, CITY ADMINISTRATOR
SUBJECT: DNR COMMENTS ON ZONING CODE SUBMITTAL FOR CONDITIONAL APPROVAL
DATE: APRIL 24, 2023

I submitted the proposed zoning code amendments to the DNR for conditional approval on April 15th. On Tuesday, April 18th, Dan Petrik from the DNR called and said that he had reviewed the code amendments and had a concern with the language regarding impervious surfaces and boulders/boulders. The following pages are his letter and comments. He asked that the Planning Commission discuss and that I send updated language to him so he can complete his review. He did not have any concerns with the other proposed code amendments.
