

## **Recommendations: Livingstonstrong Proposal**

### **9/29/20 Parks Meeting**

1. Confirm that playground equipment is suitable for the same age group as existing equipment (Ages 2-12).
2. Gaga Pit
  - Install portable equipment
  - Eliminate concrete base in favor of natural grass
  - Stay clear of swing set for safety reasons
  - Avoid placing the equipment in the green space between the playground area and Lafayette Road as doing so will interrupt the flow of children's informal play area.
3. Consider the possibility of the playground surface being 100% Poured in Place Rubber (PIP) or synthetic turf
4. City define specifications for one Contractor to put out for bid and manage project through installation.
