PARKING:

Parking permits are free to residents and available at City Hall. The permits are required to be affixed to your vehicle when using any of the parks and areas posted "Permit Parking Only." **Limit two permits** per household. Bring your vehicle license plate number(s) with you to City Hall to obtain permit.

DOCKS:

The City of Minnetonka Beach operates a dock slip/lake access process for residents that do not live on the lake (non-riparian residents). The City does this through a multiple dock license with the Lake Minnetonka Conservation District. The City has 80 dock slips available in varying sizes and locations around the City that residents apply for each year. Residents who have had a dock the previous year must still apply every year, but generally keep the same slip year over year unless their status changes or they wish to move to another open slip. The City only provides the lake access. Dock slip holders must provide their own dock and install and remove the dock at their own expense. **THE CITY PROHIBITS RESIDENT BOAT SLIP RENTALS TO OTHERS FOR BOTH PRIVATE AND CITY PERMIT DOCKS.**

The annual application process usually starts in February with City Staff sending out applications to residents who have had docks the prior year. New, non-riparian residents interested in a dock slip should contact the City Clerk at City Hall at any time in the process to see what might be available at that time.

See the City website for the dock application and the City's ordinance on Docks. www.ci.minnetonka-beach.mn.us . Sign up for our City weekly SPLASH! news eblast on the City's website website by clicking on CONNECT at top.
