

Minnetonka Beach  
**NEW Program**  
**For Curbside Collection of Yard Waste**

Spring/Summer 2022

The Minnetonka Beach Yard Waste Sticker program is obsolete.

Yard Waste service will now be a carted service for weekly collection on your normal **Friday** collection day.

To subscribe to this optional service call Republic service at 952.941.5174. You will be asked to prepay the \$100.00 seasonal fee as they set up the service account for you. One 95gallon Yard waste cart will be delivered. The yard waste cart is Blue with a brown lid. If you have extra compostable bags or a bundle of brush, they can be collected on the side of your cart. There is a 5 bag/bundle limit on the extras on the side of the cart. *It is not suggested to have brush placed in the cart. Bundles of brush can be no longer than 4 feet and no larger than 2 inches in branch diameter.*

After this first season, you will receive an invoice from Republic either late winter or early spring each year to renew the program.

An **on-call service option** for yard waste collection is also available. To request this yard waste service call 952.941.5174 and arrange at least 2 days prior to the desired Friday collection day. You will be asked how many bags or bundles you'll have to the curb and that number will be provided to the driver. The 2022 per bag fee is \$7.50 per bag. Prepayment is required.

- As with all waste, we restrict bag weight to 40 lbs for safe lifting.
- Yard waste in compostable bags needs to be at the curb by 6:00 a.m. on collection day. It is collected with a different truck from your trash cart, so collection times may vary

**YARD WASTE COLLECTION BEGINS THE SECOND FULL WEEK OF APRIL EACH YEAR, AND THE LAST PICK UP IS THE SATURDAY AFTER THANKSGIVING.**
